

Meadow Ridge Senior Living is designed to meet your evolving needs

The best way to start looking for a senior living community for yourself or a loved one is to give Meadow Ridge in Golden Valley a call and set up a tour. See for yourself what a **boutique-style** senior community has to offer.

Nestled in the charming “downtown” neighborhood of Golden Valley, Meadow Ridge is locally owned and managed by a team with years of caring experience that provide the highest levels of service for senior living.

We want you to feel right at home — because that’s exactly where you are. Our comfortable and **elegant apartment communities** feature a variety of living arrangements.

Meadow Ridge Senior Living offers graduated levels of **assisted living** with lots of community and connection for our residents. And we specialize in providing the precise level of services needed for our residents who need **memory care**.

We love what we do. We understand that it can be stressful to find the right mix of amenities, services, support and community that will meet your evolving needs.

We’re skilled at guiding you through your decision-making process. While we’d prefer you choose Meadow Ridge, our priority is **that you make the best decision possible**; we want you to find just the right next place to call home.

On our website, you’ll see testimonials from residents and families that attest to our experience and care. We are very proud of the sense of community and belonging our residents and their families enjoy at Meadow Ridge.
